

## **Dress Code Reminders:**

### **Upper Body:**

Clothing that is sheer enough to reveal undergarments is not permitted. Shirt straps must be at least 2" in width to cover any undergarments worn by the student. Tops worn by males must have sleeves – tank tops are not allowed unless a sleeved shirt is worn underneath.

The base of any top worn (male or female) must be long enough to cover the entire midriff (Front, back and sides) of the student when standing, walking or sitting and leaning forward at a table or desk.

### **Lower Body:**

Lower body clothing worn in a manner to reveal underwear is not acceptable. The hemline of shorts, skirts, skorts, dresses, etc., must fall within four inches of the top of the kneecap.

### **Footwear:**

Slippers are not acceptable. For safety reasons, students are **encouraged** not to wear flip-flops.

Students who fail to meet these dress guidelines will be required to change into something appropriate. Students will not rejoin the school population until appropriately dressed.

Please review the complete LRIS dress code in the student handbook on page 19.
